

Letter of Recommendation

Dear Sirs,

We herewith confirm that SC CRIOMECA SA Galati has performed for the New Ship Assembly Hall at Damen Shipyard Galati, according to the Subcontract no. 8462/010 from 14.12.2009 and subsequent approvals, the following activities:

I. Detail Design for:

- Technological Fluids Installations (oxygen, acetylene, nitrogen, compressed air)*
- Ventilation Installations*
- Hydrotechnical Installations*
- Electrical Installations, Lighting, Earthing and Lightning Rod*
- Steel Structures*

II. Execution for:

- Technological Fluids Installations (oxygen, acetylene, nitrogen, compressed air)*
- Ventilation Installations*
- Hydrotechnical Installations*
- Electrical Installations, Lighting, Earthing and Lightning Rod*
- Steel Structures*

The mentioned works have been performed according to stipulation from the designs, standards and technical prescriptions and with respect of subcontractual terms.

The quality and performance have been according to the laws in force and Directive PED.

SC CRIOMECA SA has a good knowledge of International Standards and Regulations and it also has the necessary experience to fulfil the most restrictive requirements.
